# A Foreign Investors' Council in Estonia

**Foreign Chambers of Commerce and Business Clubs in Estonia met in Tallinn, May 21st, 2008 for an initial discussion on forming a Foreign Investors' Council in Estonia.**

## **Agenda - Proposed issues to be presented and discussed:**

- Foreign Direct Investments in Estonia, an update
- A Foreign Investors' Council in Estonia:
  - Mission and profile
  - Organization
  - Main issues and work routines (e.g. macroeconomics, future visions and strategies, tax issues, labour issues, infrastructure)
  - Members and membership
  - Partners
- Sum up and a common statement based on the discussions

The participants agreed that a Foreign Investors' Council in Estonia would improve the business climate for the members of all foreign Chambers and Business Clubs by keeping up an active dialogue with the Estonian Government, adequate Ministries and relevant official authorities.
